Elena Vasil Kret-Sudjian, M.D., Ph.D.

Philosophy of Care
I am dedicated to patient centered care and do my very best to stay current in medical knowledge, and provide comprehensive compassionate medical care to you. I hope that after meeting with me, you will feel more lively, comfortable and less ill than before.

Clinical Interests
Dr. Sudjian focuses her efforts on improvement of Hospital Medicine and Clinical Nutrition at UC Davis Health. She is participating in leadership group and working on discharge process improvements.

Research/Academic Interests
Dr. Sudjian is teaching medical students about clinical nutrition, vitamins/minerals and nutrition of older patients.
