Heidi Anne McNulty, D.O.

Philosophy of Care	I enjoy caring for patients of all ages and have found that the most effective medical care occurs when physician and patient work together as partners. I listen carefully to all of the concerns of the patient and to provide education about the recommendations I make. I help patients reach their health goals by providing preventive care stragegies as well as medical intervention when it is needed.
Clinical Interests	Dr. McNulty is a Family Physician providing primary care for adults and children of all ages. She has special clinical interest and skill in Osteopathic Manipulation.
