

It is with the great pleasure we welcome you to the
UC Davis School of Medicine

Join us on a journey of discovery

Known as the “City of Trees”, proud of its diversity and history, abundant are its rivers and flora, Sacramento is our home!

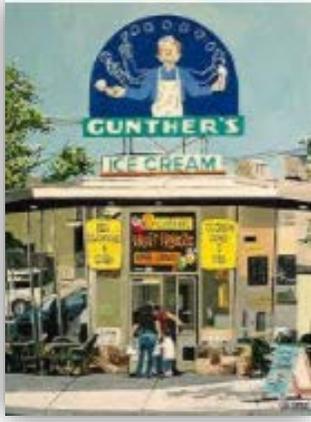

Explore

Sacramento is an entrance to adventure, from numerous outdoor activities, from the American River bike trail, to fishing and hiking at Folsom Lake. Learn to ride and repair your bike at Sacramento’s sustainable Bicycle Kitchen, or take a short drive to Sutter Creek and explore Mercer Caverns while immersing in California Gold Rush history. San Francisco, Napa and Lake Tahoe are all short drives away, making Sacramento ideal for any explorer.

At the Crocker Art Museum you can find many notable works, including paintings by local artist Wayne Thiebaud. As the capitol city, Sacramento is home to the State Fair and other historical sites, such as the California History Museum, California State Capitol and the Railroad Museum.

Experience

As the Farm-to Fork Capital of America, Sacramento produce is shipped all over the US. With over 40 local Farmer's Markets, Sacramento is home to some of the best chefs. Visit local eateries throughout the midtown and outlining areas. Sample local breweries or visit Amador and Napa counties to taste some of California's best wines.

When the heat arrives, be sure to cool down with a Gunther's ice cream or a Merlino's frozen freeze, both Sacramento summer staples. In the fall visit Bishops Pumpkin Farm, a great place for kids to explore, with corn mazes, zip lines and giant pumpkins. In the winter, Cal Expo is home to the Global Winter Wonderland, a Sacramento holiday festival and multi-cultural celebration featuring illuminated landscapes, ice skating and carnival rides.

Enjoy

Sacramento is home to many unique theatre venues, including the Wells Fargo pavilion, home of the Music Circus. *"The Music Circus is the largest, continually operating musical theatre-in-the-round in the country, making it a landmark in the professional theatre community."* Other area venues include: The Sacramento Convention Center, Community Center and Memorial Auditorium, The Sacramento Ballet & Philharmonic Orchestra, Sacramento B Street Theatre. Visit also nearby Davis and enjoy the Mondavi Arts Center & Davis Musical Theatre Co.

Escape

These websites provide some information about the Sacramento community and other opportunities to explore the area:
