September 15, 2017

Noon – 5 p.m.

Courtyard by Marriott Sacramento Midtown
4422 Y Street
Sacramento, CA

Individuals who complete this course
will receive 4.25 hours towards
obtaining a waiver for prescribing
buprenorphine. Participants are
eligible to receive an additional 3.75
hours after completing an online
computer-based module. For more
information on the waiver training,
please see the AOAAM website:
<http://www.aoaam.org/>.

ACCREDITATION

Continuing Medical Education (provided through the American
Osteopathic Academy of Addiction Medicine)
This training has been reviewed and is acceptable for up to 4.25
Prescribed credit(s) by the American Academy of Family Physicians.
Physicians should claim only the credit commensurate with the extent of
their participation in the activity. AAFP Prescribed credit is accepted by
the American Medical Association as equivalent to AMA PRA Category 1
Credit™ toward the AMA Physician's Recognition Award.

*Funding for this initiative was made possible (in part) by Providers' Clinical Support
System for Medication Assisted Treatment (1U79TI026556) from SAMHSA. The
views expressed in written conference materials or publications and by speakers and
moderators do not necessarily reflect the official policies of the Department of Health
and Human Services; nor does mention of trade names, commercial practices, or
organizations imply endorsement by the U.S. Government.*
