

Karen E. Matsukuma, M.D., Ph.D.

Research/Academic Interests	Dr. Matsukuma's research focuses on the molecular basis of pancreatic and biliary cancers, in particular genotype-phenotype correlations and identification of morphologic features that correlate with tumor behavior. Her interests and expertise also include Hirschsprung disease, for which she works closely with UCD's pediatric surgeons.
Title	Director, GI/Liver Pathology Fellowship Associate Professor, Department of Pathology and Laboratory Medicine
Specialty	Surgical Pathology, Pathology - Gastrointestinal, Pathology - Anatomic, Pathology - GE, Liver, & Transplant
Department	Pathology and Laboratory Medicine
Division	Anatomic Pathology
Address/Phone	Pathology Building, 4400 V St. Sacramento, CA 95817 Phone: 916-734-2525
Additional Phone	Clinic Phone: 916-734-2525 Clinic Fax: 916-734-2560 Physician Referrals: 800-4-UCDAVIS (800-482-3284)
Education	M.D., UC Irvine College of Medicine, Irvine CA 2007 Ph.D., Biological Sciences, UC Irvine, Irvine CA 2006 B.S., Human Physiology, UC Davis, Davis CA 1996
Residency	Anatomic Pathology, Stanford University, Stanford CA 2007-2010
Fellowships	GI & Liver Pathology, Johns Hopkins University, Baltimore MD 2010-2012 Surgical Pathology, Stanford University, Stanford CA 2012-2013
Board Certifications	American Board of Pathology Maryland Board of Physicians Medical Board of California
Professional Memberships	College of American Pathologists Hans Popper Hepatopathology Society Pancreatobiliary Pathology Society Rodger C. Haggitt Gastrointestinal Pathology Society United States and Canadian Academy of Pathology
Honors and Awards	Collaborative Interdisciplinary Research Award, UC Davis Academic Senate, 2021 Clinical Research Award, UC Davis Department of Pathology & Lab Medicine, 2018

Karen E. Matsukuma, M.D., Ph.D.

Resident Teaching Award, UC Davis Department of Pathology & Lab Medicine, 2016
Bright Ideas Fund Award, UC Davis Department of Pathology & Lab Medicine, 2014
American Diabetes Association Medical Scholars Award, 2003
