Center for Healthcare Policy and Research (CHPR) Membership Application

The mission of CHPR is to facilitate research, promote education, and inform policy about health and healthcare.

The goals of this mission are to improve the health of the public by contributing new knowledge about access, delivery, cost, quality, and outcomes related to healthcare.

CHPR has three primary research program areas:

- Healthcare Quality and Safety;
- Mental Health and Substance Use; and
- Evidence to Improve Health and Inform Policy

Current research emphases include clinician-patient interactions, disparities, utilization, cost-effectiveness and quality measurement.
