8. List all consultants and institutions from which we will need to acquire letters of support:

Preference will be given to interdisciplinary and collaborative research. The Center Director and Leadership Committee will review these requests on an ongoing basis to make decisions regarding the allocation of the Center’s resources using the following criteria: appropriateness of the project to the Center mission and expertise, complexity and duration of the project, availability of Center staff and resources, adequate financial support for the project activity, and adequate financial support for Center-related project administration.

Please submit project requests to: hs-chpr@ucdavis.edu or to Kirstin Truitt at kgtruitt@ucdavis.edu.

Upon approval of the request, the Center Administrator will contact you regarding the details of the service agreement.
