**Center for Healthcare Policy and Research (CHPR)
 Faculty Application**

The **mission** of CHPR is to facilitate research, promote education, and inform policy about health and healthcare.

The **goals** of this mission are to improve the health of the public by contributing new knowledge about access, delivery, cost, quality, and outcomes related to healthcare.

CHPR has four primary research program areas: Healthcare Quality and Safety; Mental Health; Substance Use; and Evidence to Inform Clinical Care and Health Policy. Current research emphases include clinician-patient interactions, disparities, utilization, cost-effectiveness and quality measurement.
