

# Pediatric Hematology/Oncology

## Telehealth Consultations

We offer telehealth consultations for a variety of pediatric hematology and oncology conditions. Examples are listed below, but consultation is not limited to these conditions. Please send your request along with the patient's chart notes and lab results to the telehealth coordinator for the specialist's consideration.

### Clinical Conditions

- Anemias (chronic or acute)
- Neonatal anemias from hemolytic conditions, such as hereditary spherocytosis and ABO incompatibility
- Neutropenias
- Thrombocytopenia, such as idiopathic thrombocytopenic purpura
- Suspected mild bleeding disorders (hemophilia, von Willebrand disease, platelet function disorders) *Follow-up appointments only\**
- Heavy menstrual bleeding

### Necessary Clinical Information

- Age, sex, and ethnicity of child
- Findings on physical exam
- Current medications
- Laboratory studies: CBC, peripheral smear, reticulocyte count (if appropriate)

*\*Labs for mild bleeding disorders will need to be drawn at a UC Davis Health location when needed*

### Information Needed Prior to Scheduling an Appointment

- [Telehealth Referral Request Form](#)
- Necessary clinical information (listed in above section)

### Information Needed Before the Consultation Begins

- Signed [UC Davis Health Acknowledgement of Receipt: Notice of Privacy Practices](#) form (new patients only)
- Documented verbal consent from the patient's parent or legal guardian for participation in a telehealth consultation

### Appointment Scheduling

New: 40 minutes

Follow-up: 20 minutes

### Level of Presenter Required at Consultation

Medical practitioner to receive recommendations and perform physical examinations

### Required Equipment

- Videoconferencing Unit
- General Patient Exam Camera

---
