UC LEARNING CENTER: Manager / Supervisor Guide

UC Davis Campus

UC Davis Health

Introduction

The UC Learning Center is the web-based Learning Management System (LMS) used across the University of California for Systemwide training and development. Those who have direct reports identified in the UC Learning Center will receive the Manager Role, in addition to the standard Learner Role. In some cases, individuals may be given the Manager Role if they have been identified as needing access to manage the training of those who are not their direct reports.

With the Manager Role, you can:

- View training history and status of assigned training of direct reports or viewable users
- View direct reports or viewable users current training schedule
- Register direct reports or viewable users for activities
- Assign activities to direct reports or viewable users

Navigation

Homepage

When you first login to the UC Learning Center, you will see the homepage. Here you can launch activities you are currently registered in, navigate to your training schedule or transcript, and use search features to locate activities you wish to take. These will all be reflected on your own account. You can also get information about your direct reports.

The Manager view is an enhanced version of the Learner view. For more information on Learner access, refer to the Learner Guide.

- **Manage My Registrations:** View your Training Schedule, where you can see both upcoming in-person activities you have registered to attend, as well as any online activities you are currently in progress with.
- **Required Training:** View a list of your required and recommended training where you can see details about last completed, Expiration, and your assignment status.
- **My Learner Dashboard:** Access your required training and recently launched training
- **Transcript & Certificates:** View transcripts for any courses you have completed in the UC Learning Center.
- **Find a Course:** Search for a course.

- **How To:** Short YouTube [instructional videos](#)
- **Support:**
 - UC Davis Campus:
 - Contact UC Davis Staff Development and Professional Services at sdps@ucdavis.edu for assistance with the UC Learning Center.
 - UC Davis Health:
 - Please open an incident ticket through [ServiceNow](#) or call (916) 734-HELP (4357) for assistance with UC Learning Center.

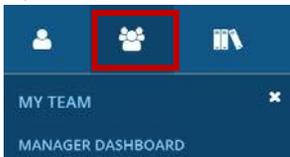

Top Menu

The Top Menu will appear on every page. Hover over each icon to see where they will take you. You might not see every icon, depending on your permissions.

Using the Manager Tools

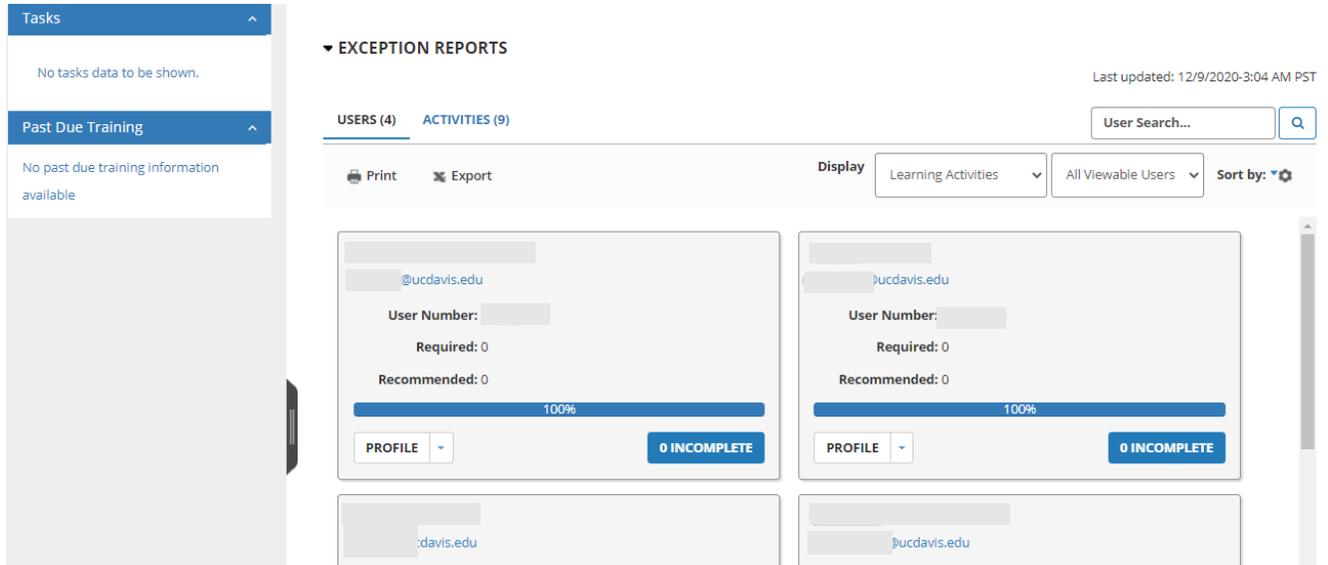

Once you have been identified as the manager of a user in the UC Learning Center, you will automatically have the **My Team** icon appear in the Top Menu. This will give you access to a **Manager Dashboard**.

Manager Dashboard

When you navigate to your **Manager Dashboard**, you will be able to see:

- A snapshot of your current exception report, which shows the overall status of your managed users' assigned training.
- A list of your managed users with the status of their individual assigned training.

The screenshot displays the Manager Dashboard interface. On the left, there are two expandable sections: 'Tasks' (showing 'No tasks data to be shown.') and 'Past Due Training' (showing 'No past due training information available'). The main content area is titled 'EXCEPTION REPORTS' and includes a sub-header for 'USERS (4)' and 'ACTIVITIES (9)'. A search bar labeled 'User Search...' is present. Below the search bar, there are controls for 'Print', 'Export', 'Display' (set to 'Learning Activities'), 'All Viewable Users', and 'Sort by:'. The dashboard shows four user tiles, each with a profile picture, email address (e.g., @ucdavis.edu), 'User Number', 'Required: 0', 'Recommended: 0', a progress bar at 100%, a 'PROFILE' dropdown, and a '0 INCOMPLETE' button. A vertical scrollbar is visible on the right side of the user tiles.

Note: Manager Dashboard is updated nightly, so if one of your users completed training *after* the latest update, it will not appear in this view until the next update. However, the user's training transcript and schedule are displayed in real time and will show you their latest status.

View Managed Users

In the Manager Role, you have the ability to view information about your managed users and the progress of their assigned activities.

Your viewable users will all be displayed in tiles on your **Manager Dashboard**. You can scroll through these tiles to locate a particular individual or you can search the user by name, or sort in ascending or descending order (by name, assignment progress, etc).

You will automatically see all users you have been given access to view, either as your direct reports or as managed users whose training you are responsible for managing. If you manage more users than just direct reports, you can change your view from **All Viewable Users** to **Direct Reports** if you wish to only view your direct reports.

View Status of Assigned Training

When you first enter your **Manager Dashboard** you will see an overview of your managed users and the status of their assigned training. The **Exception Report** at the top will show you the percentage of compliance your managed users are currently at for all training assigned to your managed users. For each individual, you will see the overall status of their currently assigned training. Click the blue **INCOMPLETE** button to see a more detailed report. Remember, you can also sort this list by process.

Assigned Training by Activity

You can also see which trainings are assigned to your managed users and the overall completion of the training.

Switch from the **Users** view **Activities** view to see all the activities that are currently assigned to your managed users. You will now see how many are still required to complete each training and the overall percentage of completion.

Click on the blue **Users** button to see who is still required to complete the training.

Individual Reports

To view a detailed report for an individual user:

1. Locate the user you wish to find out more information about.
2. Click on the blue **Incomplete** button.

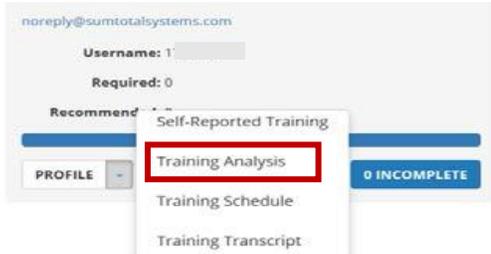

This will show you an overview of the user's assigned training, including a list of all training that has been assigned, the due date for each training, and their overall progress in completing all assigned training.

Activity Name	Assignment Type	Assignment Status	Assignment Date	Due date	Expiration Date	Progress
Employment Law and Liability	Required	In Progress	1/31/2020	7/24/2021	7/24/2021	0%
Principles of Leadership	Required	In Progress	1/31/2020	7/24/2021	7/24/2021	0%
Supervising Environment	Required	Assigned	1/31/2020	7/24/2021	7/24/2021	0%

1. Clicking the **Title** of the course will show you more information about the training.
2. Using the menu bar on the left side, you can filter the training to show only what assignments are **Overdue** or what has been **Completed**.
3. You will see when the information was **Last Processed** in the top right corner.
4. Clicking the **Close** button will take you back to the Manager Dashboard.

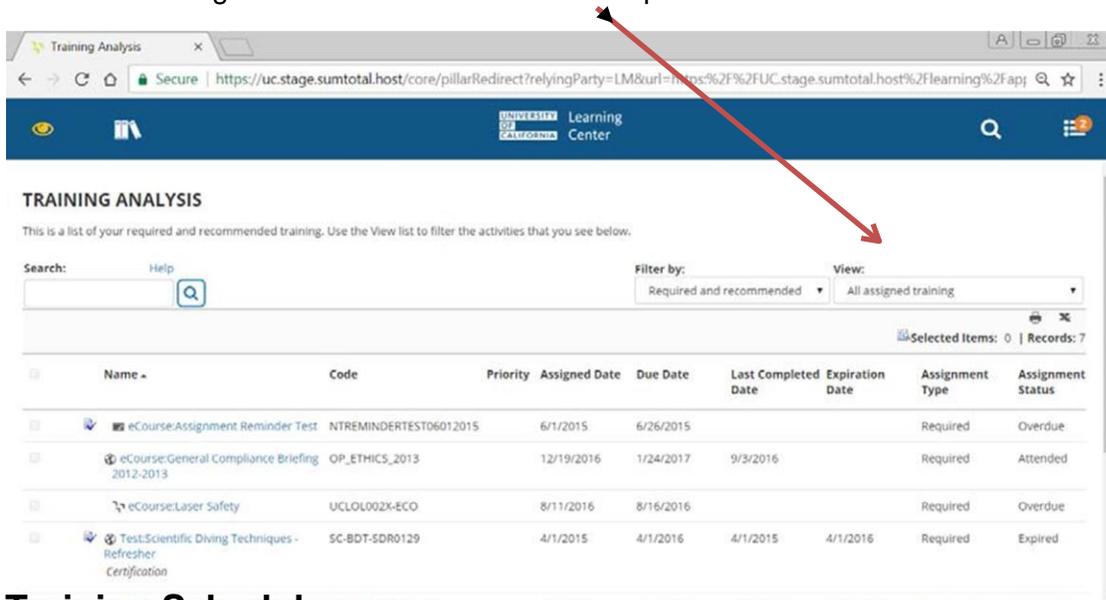

Training Analysis

Another way to view a user's assigned training is to go to that user's

Training Analysis page.

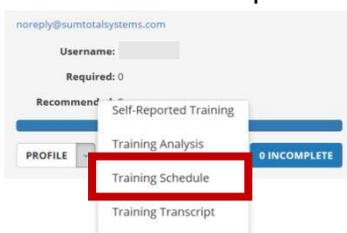

1. Locate the user you wish to find out more information about in your list of direct reports or viewable users.
2. Click the drop-down arrow next to the white **PROFILE** button.
3. Click **Training Analysis**.
4. This will launch **Emulation mode** , which allows you to view Learning details about your managed users. You know you are in emulation mode by the orange "eye" in the top menu bar where the "Self" icon would typically display. (To exit Emulation mode, click the "eye" and then click Exit Emulation)
5. The page provides an overview of the user's currently assigned training, the due date for each training, and current assignment status. Click the **View** drop down menu to see additional information.

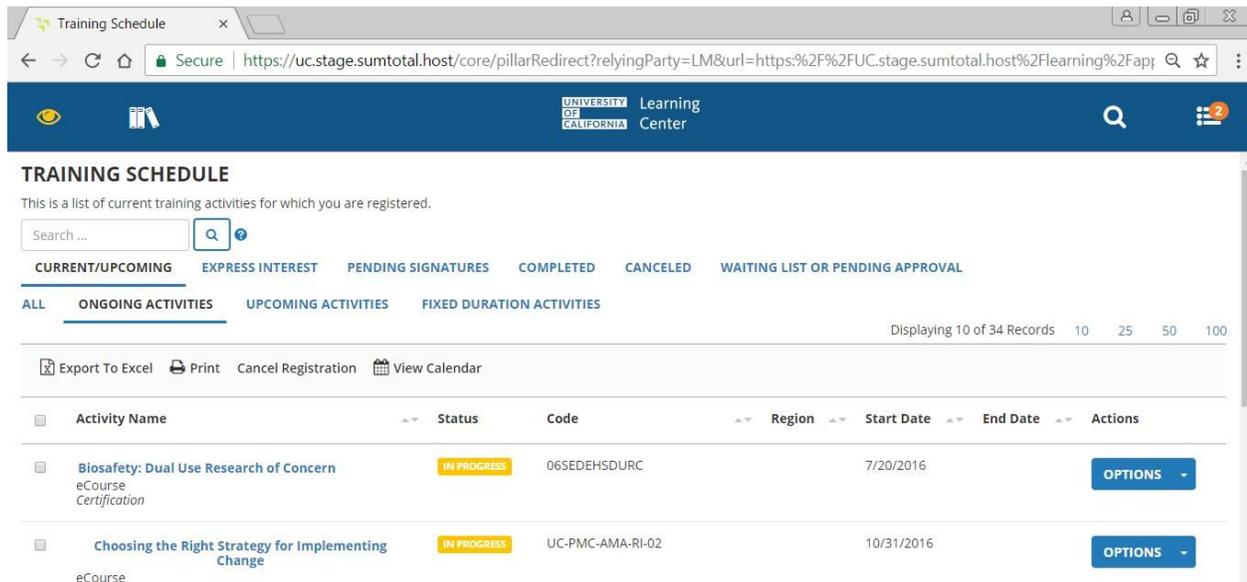

View Training Schedule

You can view a managed user's training schedule to see their current registrations and progress.

1. Locate the individual you wish to view.
2. Click the drop-down arrow next to the white **PROFILE** button and select **Training Schedule**.

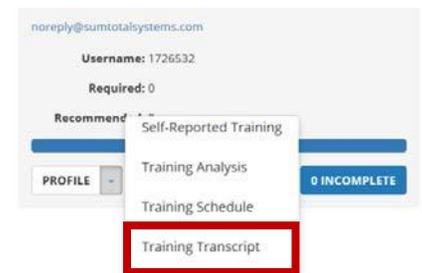

- This will launch the **Emulation Mode**, which allows you to view Learning details about your managed users. You know you are in emulation mode by the orange “eye”  in the top menu bar where the “Self” icon would typically display.
- Now you can see that user’s registrations and other canceled, in progress or completed training.

Training Transcript

To view all completed training for a managed user, you can view their training transcript.

- Locate the user you wish to find out more information about using the User Search function.
- Click the drop-down arrow next to the white **PROFILE** button
- Click **Training Transcript**.
- This will launch **Emulation mode**, which allows you to view

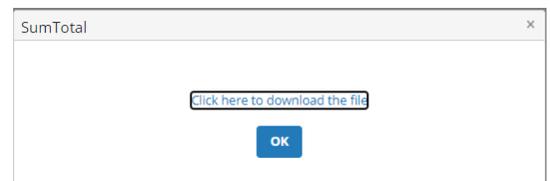

Learning details about your managed users. You know you are in emulation mode  by the orange “eye” in the top menu bar where the “Self” icon would typically display.

- You will be taken directly to that user’s transcript. Select the timeframe you wish to review using the year or date range filters. Note the default view is for one year.

You can view the transcript or individual certificates of completion and export them to PDF.

To export the training transcript to PDF:

- Click **Export to PDF** in the top right corner.
- Click the link to download the PDF
- The PDF will open in a new window.

To export individual certificates to PDF:

- Click the certificate logo next to the course name.
- Click **Export to PDF** and follow the steps above.

4. Click **Add** under Available Users to locate the users you wish to register.

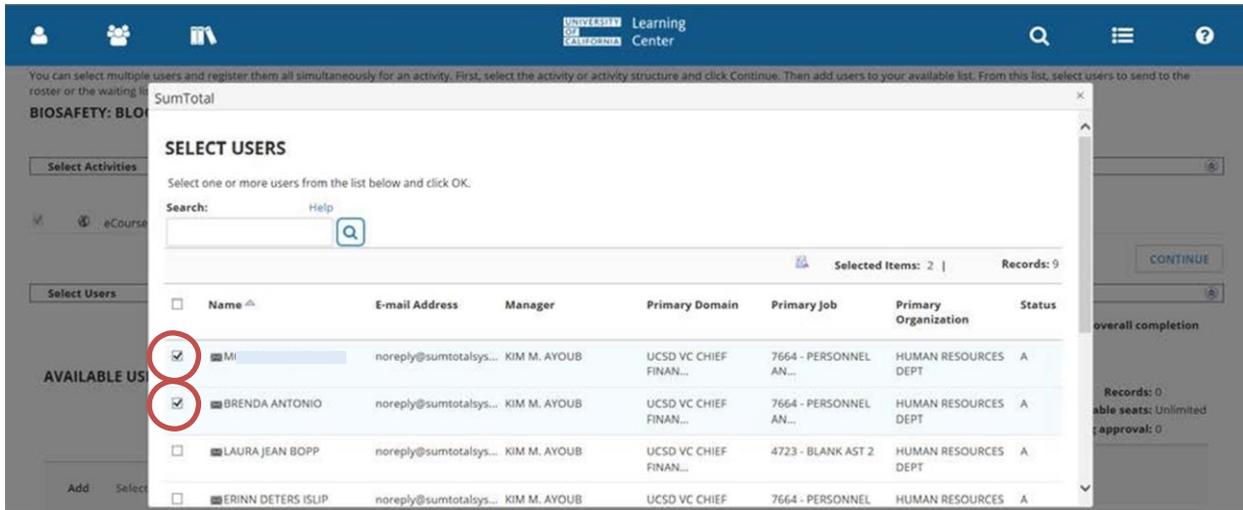

- There are several options to narrow down the users you wish to add. As Manager, the only option that will be relevant is **Select Viewable Users**.

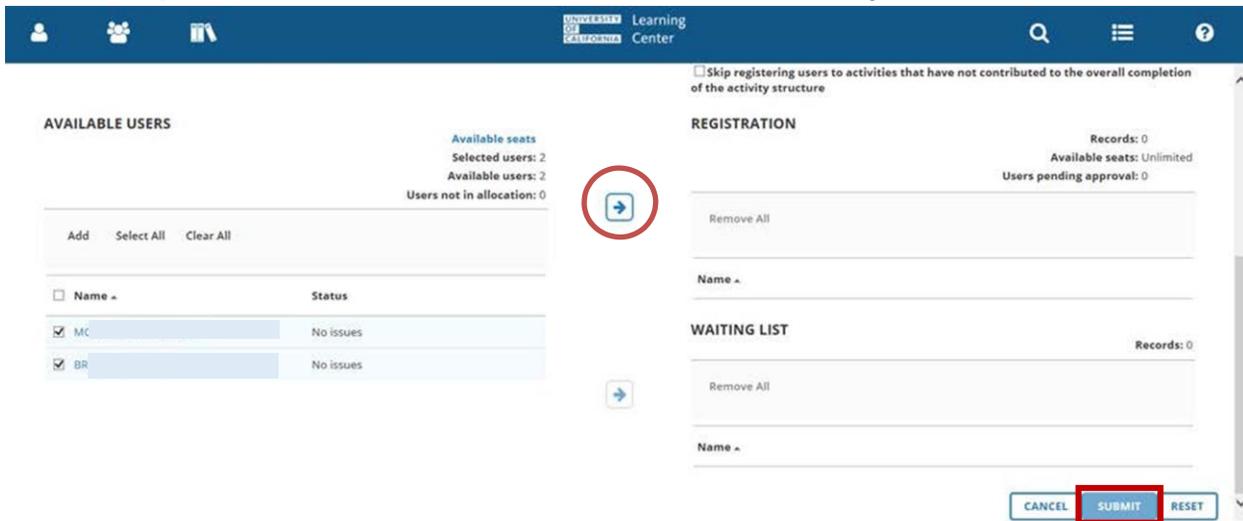

- Click **Next**. You now have the option to:
 - Type a user's name in the search box and click the **Arrow** button.
 - Browse the list of users for individuals you wish to register.
 - Click **Select All** at the bottom of the page to select all active users or select the top box to select all users on the current page.

- Select the **check box** next to the user(s) name you wish to register. Click **OK** at the bottom to continue.

- Click the **Top Arrow Button** to move the selected users over to Registration.

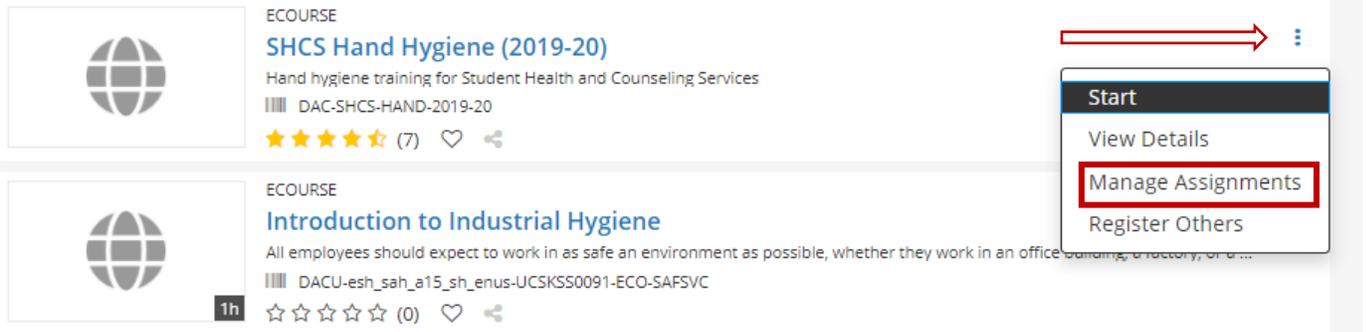

- Click **Submit** once you have selected the users to be moved over.
- The users are now registered for the activity.

Note: If the activity is in-person they will receive an email notification of their registration. If the activity is **online** there is **no registration notification**, so you may want to inform them they need to complete the training.

Manage Assignments

A manager can assign their managed users for courses. Manager assignments are recommended for **individual** assignments only. To assign managed users:

1. Locate the activity you wish to register by using the **Catalog** or **Search** functions.
2. Click the Ellipsis (More Options) to the right of the course title and select **Manage Assignments**.

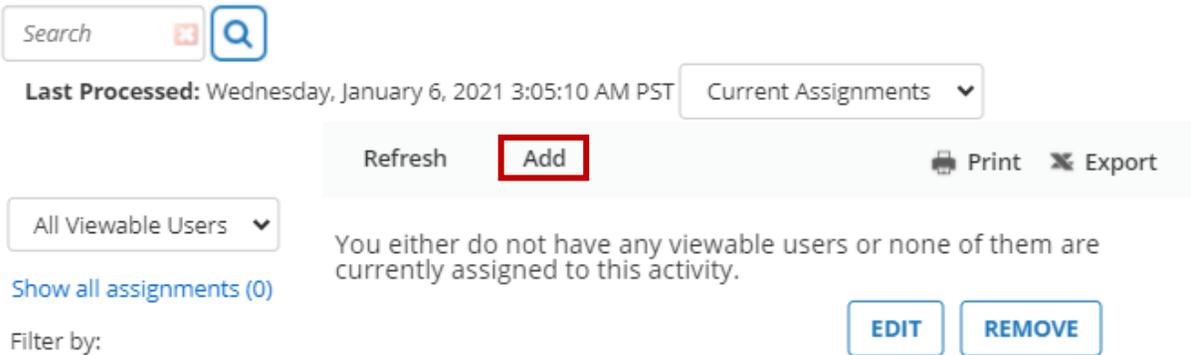

The screenshot shows two course cards. The first card is for 'SHCS Hand Hygiene (2019-20)' and the second is for 'Introduction to Industrial Hygiene'. A red arrow points to the three-dot menu icon on the right of the first card. A dropdown menu is open, showing options: 'Start', 'View Details', 'Manage Assignments' (highlighted with a red box), and 'Register Others'.

3. To add a new assignment, click **Add**.

Advanced Reporting - Campus

In preparing reports, supervisors can confirm their employees' training status in a few ways. The easiest is to run an "UCD Campus Assigned Training Status Report" through their Advanced Reporting dashboard in the UC Learning Center (<http://lms.ucdavis.edu>). There are several report templates in the UCD Campus Folder to choose from.

- Click the **Self** icon (upper left-hand corner of screen), click **Reporting**, and then click **Advanced Reporting**.

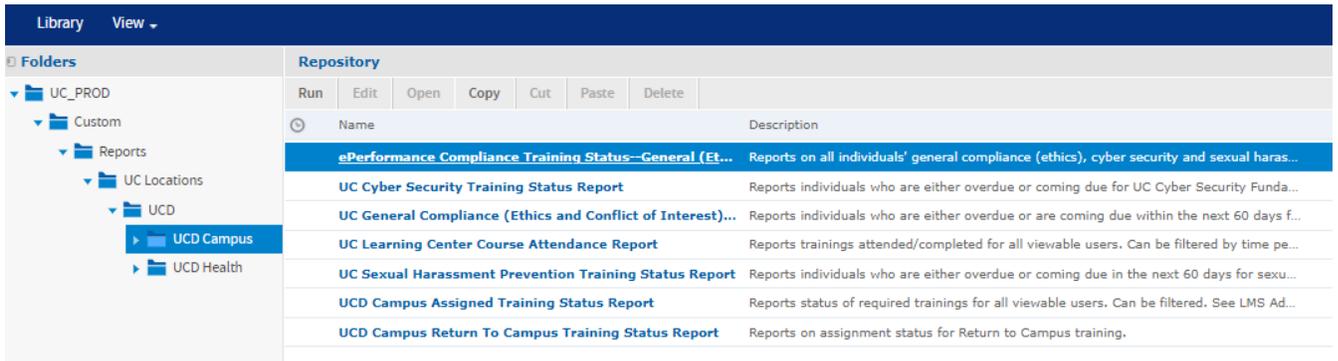

The screenshot shows a dark blue navigation sidebar. At the top, there are three icons: a person silhouette (circled in red), a group of people, and a book. Below these is a user profile card with a placeholder image and a name. The main menu items are: DASHBOARDS, PROFILE, LEARNER DASHBOARD, LEARNING, DEVELOPMENT, REPORTING (expanded), and SIGNOUT. Under the expanded REPORTING menu, 'Advanced Reporting' is highlighted with a red box, and 'Training Transcript' is visible below it.

2. Your screen should now display the Advanced Reporting dashboard:

3. Expand the folder list on the left-hand side of your screen to reach the **UCD Campus** folder:

UC_PROD > Custom > Reports > UC Locations > UCD > UCD Campus

4. Click the name of the report you wish to run

UCD Campus Assigned Training Status Report Shows all individuals' assigned training status. This guide uses ePerformance Compliance Training Status—Cyber and Sexual Harassment Prevention Report as an example.

5. Once your report appears, you can export it **or** Sort/Filter within the LMS report by clicking on the column title

To Export:

Click the export icon and choose the desired format (e.g. Excel).

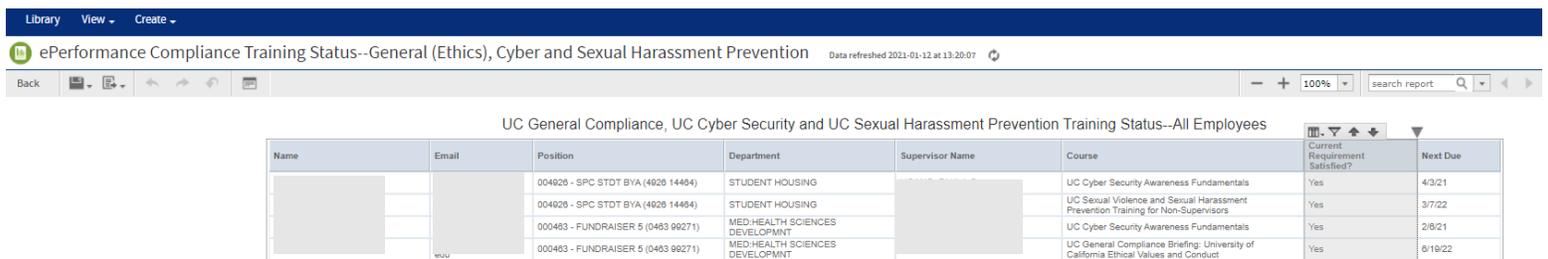

The screenshot shows the 'ePerformance Compliance Training Status--General (Ethics), Cyber and Sexual Harassment Prevention' report. The title bar indicates 'Data refreshed 2021-01-12 at 13:20:07'. The report title is 'UC General Compliance, UC Cyber Security and UC Sexual Harassment Prevention Training Status--All Employees'. A red circle highlights the export icon (a document with a downward arrow) in the top left toolbar. A red arrow points to the 'Excel' option in the dropdown menu that appears. The table below shows columns for Name, Email, Position, Department, Supervisor Name, Course, Current Requirement Satisfied?, and Next Due.

To Sort/Filter within the LMS Report:

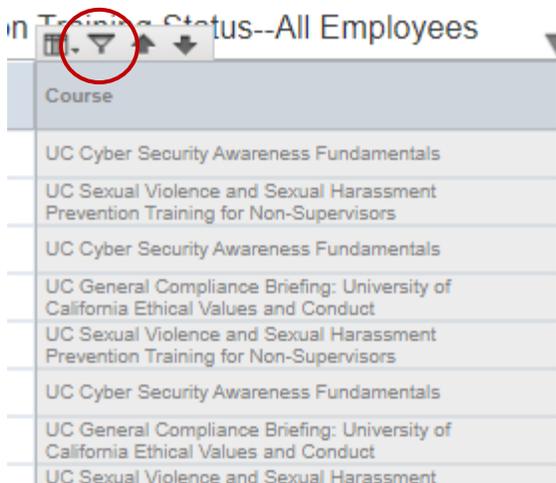

When you run the report, it will provide all data. Click on the Course Name or Course Code, or any other column title to bring up sort/filter options:

The screenshot shows the same LMS report as above. A red circle highlights the filter icon (a downward arrow) in the top right corner of the table header area. The table below shows the same data as above, but with the filter icon highlighted.

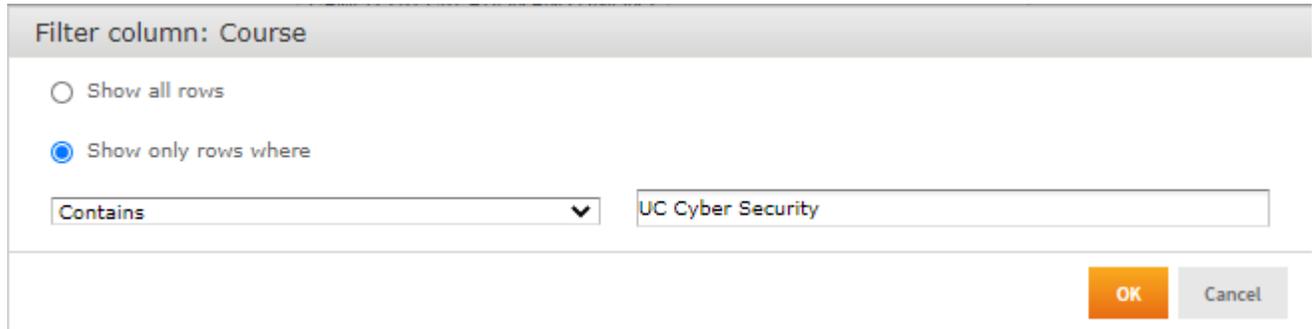

Name	Email	Position	Department	Supervisor Name	Course	Current Requirement Satisfied?	Next Due
		004026 - SPC STDT BYA (4026 14404)	STUDENT HOUSING		UC Cyber Security Awareness Fundamentals	Yes	4/3/21
		004026 - SPC STDT BYA (4026 14404)	STUDENT HOUSING		UC Sexual Violence and Sexual Harassment Prevention Training for Non-Supervisors	Yes	3/7/22
		000483 - FUNDRAISER 5 (0483 99271)	MED.HEALTH SCIENCES DEVELOPMT		UC Cyber Security Awareness Fundamentals	Yes	2/9/21
		000483 - FUNDRAISER 5 (0483 99271)	MED.HEALTH SCIENCES DEVELOPMT		UC General Compliance Briefing: University of California Ethical Values and Conduct	Yes	6/19/22

Click the Filter icon to bring up filter options - This example uses the "Course" column as the filter subject

The screenshot shows the filter dropdown menu for the 'Course' column. The title of the dropdown is 'Course'. The list of options includes: UC Cyber Security Awareness Fundamentals, UC Sexual Violence and Sexual Harassment Prevention Training for Non-Supervisors, UC Cyber Security Awareness Fundamentals, UC General Compliance Briefing: University of California Ethical Values and Conduct, UC Sexual Violence and Sexual Harassment Prevention Training for Non-Supervisors, UC Cyber Security Awareness Fundamentals, UC General Compliance Briefing: University of California Ethical Values and Conduct, and UC Sexual Violence and Sexual Harassment Prevention Training for Non-Supervisors.

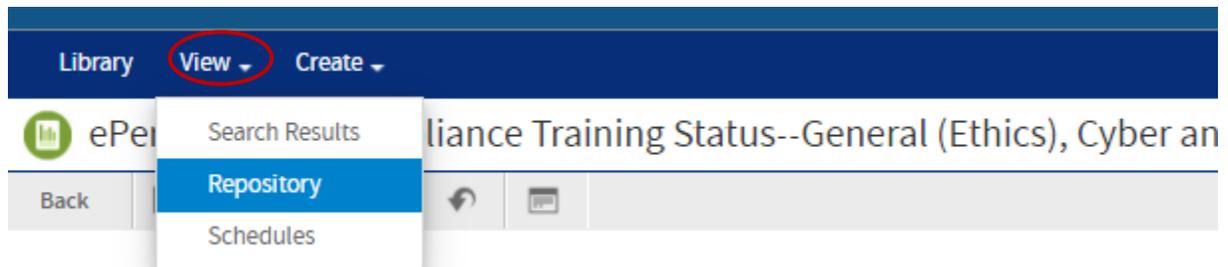

After you click the filter icon you can click “Show only rows where” you may either use “Equals” or “Contains” and use your appropriate title in place of UC Cyber Security (or, you may use a date, etc)

If you wish to filter before you export to excel, you can hover over the export icon, and then as XLSX (Once you have exported to Excel, you can sort and filter by course name or date, or even last name to see all completions for your supervised employees)

Return to Report List

If you would like to run other reports, select View > Repository to return to the report list.

Reports you can run include:

- **ePerformance Compliance Training Status—Cyber and Sexual Harassment Prevention**
Shows all individuals’ cyber security awareness and sexual harassment prevention status training status. (Best for identifying mandatory training compliance for Pay4Performance program.)
- **UC Cyber Security (Initial and Refresher) Training Status Report**
Shows individuals who are either overdue or coming due for cyber security awareness training.
- **UC Learning Center Course Attendance Report**
Use this report if you would like to view all training completed by your employees. (Can be filtered to only display trainings completed during a given time period.)
- **UC Sexual Harassment Prevention Training Status Report**
Shows individuals who are either overdue or coming due for sexual harassment/sexual violence prevention training.
- **UCD Campus Assigned Training Status Report**
Use this report to view the status of all training assigned to your employees.
