COVID-19 Series: Health Disparities

This week’s program will focus on evidence of distress related to COVID-19 in the United States and the disparate impact the virus is having on communities of color.

Moderator and Introduction:
Jaime Sepulveda, MD, DrSc, MPH
IGHS Executive Director

Panelists:
Ambassador Eric Goobsy, MD
Director, Global Health Delivery, Diplomacy & Economics, IGHS

Kirsten Bibbins-Domingo, PhD, MD, MAS
Chair, Department of Epidemiology and Biostatistics
Vice Dean, Population Health and Health Equity, UCSF School of Medicine

Sergio Aguilar-Gaxiola, MD, PhD
Director, Center for Reducing Health Disparities, UC Davis Health

Presentations will be followed by a moderated Q&A session.
