Speed Mentoring and Networking Event

We welcome you to an atmosphere of warmth, safety, kindness and community.

Speed mentoring is a series of short, focused conversations about specific questions. The mentee rotates to several mentors during an allotted amount of time.

Attendees or “mentees” will have the opportunity to:

- Meet, network and discuss pressing career questions
- Experience more interactions
- Potentially match with a mentor
- Receive information from a variety of healthcare providers and professionals with different experiences
- Be authentic and natural
- Engage with a diverse group of attendees

RSVP via Eventbrite [here](https://www.eventbrite.com).
