UC DAVIS HEALTH

Vice Chancellor's LGBTQ+ Advisory Council
Office for Health Equity, Diversity and Inclusion

# 2020 Improving OUTcomes Conference

## Improving LGBTQ+ Health Today for a Better Tomorrow: A Virtual Series

Keynote Address by:

Dr. Jann Murray-García,
Associate Professor, UC Davis Betty Irene Moore School of Nursing

*"Cultural Humility: Overcoming Our Stereotype Threat to Serve and Stand With LGBTQ+ Patients, Students, Community Members, and Colleagues"*

Join us as we explore how health professionals and community partners can improve quality of and access to care for lesbian, gay, bisexual, transgender, queer and questioning (LGBTQ+) patients and their families.

**Join Us To:**

- Learn about clinical best practices and new LGBTQ+ research
- Meet with regional and national experts in LGBTQ+ related fields
- Brainstorm new ways to improve care in your field and beyond
- Strengthen the link between UC Davis Health and the LGTBQ+ Community

**Who Should Attend:**

- Physicians
- Psychologists
- Social Workers
- Students
- NPs
- RNs
- Physical Therapists
- Trainees
- Non-Providers
- LGBTQ+ Community Members
- Community Members
