SEPTEMBER-JUNE

FALL QUARTER
September-December

WINTER QUARTER
January- March
Application Prep begins

SPRING QUARTER
April- June
Students take a CARS skills course!
Students enroll in 12 units of upper division science courses per quarter

On-going weekly seminars at UCD School of Medicine and meetings with our writing specialist throughout the year!

END OF JUNE-JULY

MCAT PREP

MCAT review courses are taken for six weeks on the UC Davis main campus. Students are encouraged to take the MCAT when they feel ready.

JULY

END OF PROGRAM

You have finished the program and joined a lifetime community of support!
We will continue to be there to help prepare each of you for your unique journeys to medical school.

Detailed letters of recommendation will be given to the cohort!
