

## Diversity Medical Student Visiting Clerkship in Psychiatry

Fourth-year medical students from groups underrepresented in medicine who are planning careers in psychiatry are invited to participate in a 4-week acting internship rotation. Students must have an interest in cultural psychiatry and/or mental health equity.

### Participating medical students will receive:

- Up to \$2000 reimbursement for travel/housing
- Faculty and resident mentorship from experts in cultural psychiatry and psychiatric education
- Opportunities to interact with residents and faculty in the Department and Health System

### Eligible medical students must:

- Be in good standing at an LCME-accredited medical school
- Self-identify as belonging to a racial and ethnic minority group traditionally underrepresented in psychiatry (as defined by the AAMC)
- Have an anticipated medical school graduation date of Spring 2023

### To apply, submit the following in one PDF document:

1. Current curriculum vitae (CV)
2. Current photo
3. Personal statement (no more than 800 words)
4. Letter of recommendation from a faculty member

Applying students must submit a formal visiting clerkship application on VSAS with all institutional requirements met.
