NEEDS ASSESSMENT
Ophthalmologists must constantly update their
practice by incorporating new evidence-based
therapies, surgical techniques and scientific
insights. Results of needs assessments indicate
an educational need for a succinct update on
the latest developments in ophthalmology from
experts in the field utilizing didactic instruction,
video presentations, panel discussions and
interactive roundtable sessions. This course is
designed to change physician learning.

LEARNING OBJECTIVES
At the end of the program, participants should be able to:

- List the use of anterior segment imaging in
  glaucoma
- Describe current recommendations for
  management of narrow angle glaucoma
diagnosis and manage viral diseases of the
cornea and retina
- Discuss the current recommendations for
treatment of microbial keratitis
- Discuss the use of imaging in pediatric
  papilledema and pseudopapilledema diagnosis
  and manage uveitis

AMERICAN ACADEMY
OF OPHTHALMOLOGY CREDIT

CME Mission Statement
The purpose of the American Academy of
Ophthalmology's Continuing Medical Education
(CME) program is to present ophthalmologists
with the highest quality lifelong learning
opportunities that promote improvement and
change in physician practices, performance or
competence, thus enabling such physicians to
maintain or improve the competence and
professional performance needed to provide the
best possible eye care for their patients.

CME Credit
The American Academy of Ophthalmology
is accredited by the Accreditation Council
for Continuing Medical Education (ACCME)
to provide continuing medical education for
physicians.

The American Academy of Ophthalmology
designates this live activity for a maximum of
13.25 AMA PRA Category 1 Credits™. Physicians
should claim only the credit commensurate with
the extent of their participation in the activity.

Target Audience
This activity has been designed to meet the
educational needs of ophthalmologists, nurses,
ophthalmic technicians and other allied health
personnel who are engaged in the diagnosis and
treatment of eye diseases.

JCAHPO Continuing Education Credit
The Joint Commission on Allied Health Personnel
in Ophthalmology (JCAHPO) reviews courses for
continuing education credit toward certification
or recertification in ophthalmic medical assisting
for COA, COT and COMT levels. Approved courses
are classified as either Group A or Group B. Though
JCAHPO may award continuing education credit
for specified courses. JCAHPO does not sponsor
these or any other review course. Visit www.
 jcahpo.org for more information. NOTE: JCAHPO
credits cannot be claimed on the Academy’s online CME
system. Credit must be claimed directly with JCAHPO
when you are ready to recertify.

UC DAVIS EYE CENTER MISSION

Leading the way in vision care and research

Our vision is to be the world’s transformational leader in collaborative vision research and in the development of cures for blinding eye disease from cornea to cortex.

We will realize our vision through pioneering collaborative vision research, providing state-of-the-art, world-class eye care, and training superbly prepared ophthalmologists and vision scientists.

As a full-time academic department, the UC Davis Eye Center offers extensive educational opportunities for medical students, residents, postgraduate and community physicians.

The Eye Center Faculty are committed to resident, fellow and postgraduate education and training, enhancing and growing our facilities and providing opportunities for diverse patient care, research and academic pursuits.
