Dear Colleagues,

We are pleased to announce the 2021-2022 UC Davis Eye Center Continuing Medical Education activities.

Each year, our department provides a series of Grand Rounds and Comparative Ophthalmology Series, didactic programs, and our Annual Symposium, designed to provide the community and our region with high-quality continuing medical education in ophthalmology.

Each of the Grand Rounds and Comparative Ophthalmology activities have been approved for up to three (3) AMA PRA Category 1 Credits™. For the coming year, we have planned an exciting Grand Rounds and Comparative Ophthalmology Series listed in this brochure. We invite you to join us at the Eye Center for these CME activities in each of the subspecialties of ophthalmology.

The Annual Ophthalmology Symposium, NAPA EYE 2022, will be returning to the Napa Valley Marriott Hotel, May 13-15, 2022. The full program, registration form and hotel information will be posted on the Eye Center's website.

On Saturday, June 11, 2022, the Eye Center will host the Resident, Fellow and Alumni Research Day on the UC Davis Medical Center Campus. This one-day educational program will include resident and fellow research presentations and will feature the Alumnus of the Year Lecturer and the Byron Demorest Lecturer.

We hope you will take advantage of these excellent educational opportunities.

Sincerely,

Mark J. Mannis, M.D.
Natalie Fosse Endowed Chair
In Vision Science Research

SYMPOSIA CALENDAR

MAY 13-15, 2022
NAPA EYE 2022
Napa Valley Marriott Hotel
Napa, CA

JUNE 11, 2022
