

2019-2020

VISITING PROFESSOR AND GRAND ROUNDS SERIES

UC DAVIS
HEALTH

Eye Center

Dear Colleagues,

We are pleased to announce the 2019-2020 UC Davis Eye Center Continuing Medical Education activities.

Each year, our department provides a series of Visiting Professor Grand Rounds, Resident & Alumni Research Symposium and our Annual Napa Symposium, designed to provide the community and our region with high-quality continuing medical education in ophthalmology.

Each of these activities has been approved for *AMA PRA Category 1 Credits™*. For the coming year, we have planned an exciting Visiting Professor Grand Rounds series listed in this brochure. We invite you to join us at the Eye Center for these CME activities in each of the subspecialties of ophthalmology.

The 43rd Annual Ophthalmology Symposium will be returning to the Napa Valley Marriott Hotel, June 5-7, 2020. The full program, registration form and hotel information will be posted on the Eye Center's website.

On Saturday, June 20, 2020, the Eye Center will host the 9th Annual Resident and Alumni Research Symposium on the UC Davis Medical Center Campus. This one-day educational program will include resident and fellow research presentations and will feature the Alumnus of the Year Lecturer and the Byron Demorest Lecturer.

We hope you will take advantage of these excellent educational opportunities.

Sincerely,

Mark J. Mannis, M.D.
Natalie Fosse Endowed Chair
In Vision Science Research
