## VISITING PROFESSOR SERIES

Supported by:  
**NORTHERN CALIFORNIA LIONS  
SIGHT ASSOCIATION**

**UCDAVIS**  
**EYE CENTER**

## Dear Colleagues,

We are pleased to announce the 2018-2019 UC Davis Eye Center Continuing Medical Education activities.

Each year, our department provides a series of Visiting Professor Grand Rounds, didactic programs, and our Annual Symposium, designed to provide the community and our region with high-quality continuing medical education in ophthalmology.

Each of these activities has been approved for *AMA PRA Category 1 Credits*<sup>™</sup>. For the coming year, we have planned an exciting Visiting Professor Grand Rounds series listed in this brochure. We invite you to join us at the Eye Center for these CME activities in each of the subspecialties of ophthalmology.

The 42nd Annual Ophthalmology Symposium will be returning to the Napa Valley Marriott Hotel, June 7-9, 2019. The full program, registration form and hotel information will be posted on the Eye Center's website.

On Saturday, June 22, 2019, the Eye Center will host the 8th Annual Resident and Alumni Research Symposium on the UC Davis Medical Center Campus. This one-day educational program will include resident and fellow research presentations and will feature the Alumnus of the Year Lecturer and the Byron Demorest Lecturer.

We hope you will take advantage of these excellent educational opportunities.

Sincerely,

Mark J. Mannis, M.D.  
Natalie Fosse Endowed Chair  
In Vision Science Research

The UC Davis Eye Center wishes to thank the Northern California Lions Sight Association (NCLSA) for its generous gift to support the 2018-2019 Visiting Professor Series. No one from the NCLSA has control over the content of these live activities.
