● NET PROCEEDS FROM THE TOURNAMENT WILL PROVIDE SUPPORT TO:

The UC Davis Eye Center Pediatric Eye Care Service is an affiliate program of the UC Davis Children's Hospital. The UC Davis Eye Center provides comprehensive evaluation, consultation and proven treatments for all aspects of routine and complex pediatric eye disease. The UC Davis Eye Center is one of the only ophthalmology departments in our region that accepts pediatric ophthalmology patients covered under Medi-Cal. Proceeds from the tournament will support pediatric faculty in their research, teaching and clinical care efforts, and allow the department to ensure that there is time and funding, in perpetuity, to take care of the poor and unfunded pediatric patients and even Medi-Cal patients whose care is denied by the private practice community.

District 4-C5 Lions Education Foundation, a local 501(c)3 non-profit organization, has as its primary mission to encourage and further positive youth development by helping young people deal with the challenges of our changing world. The Foundation is fully supported by the Lions Clubs, individual donations, corporate sponsorships and support at annual fundraising events. It receives no government or Lions Clubs International funds. The Foundation budget is allocated to youth activities and causes that may include: Literacy Projects, Wilderness Camp for the Deaf, Vision Center, Lions Special Kids Day, Scholarships, UC Davis Pediatric Trauma Center, Science Camp, and many more. By supporting the youth of today, we can mold the future for the betterment of our communities and the world.

Rancho Murieta Country Club

The North Course, which premiered in 1971 and was later redesigned in 1986 by Arnold Palmer, has proven to be a challenge for amateurs and professionals alike. The third and fourth holes on the North Course have been called the two most challenging holes back to back in the entire Sacramento area. The Course is truly Championship Golf at its finest!
