STRUCTURAL ENGINEERING SERVICES

McCarthy Building Companies in conjunction with UC Davis Health in Sacramento, California requests Statements of Qualifications on or before 4:00 PM, Thursday, June 18, 2020, from qualified firms interested in providing Structural Engineering Services for the following project:

PROJECT NO. M050465
Replacement Hospital Tower (RHT)

The UC Davis Health Replacement Hospital Tower will be constructed via Progressive Design-Build method. The future tower is envisioned to provide 200 +/- inpatient beds plus other support services. The building options under consideration range from 12 to 14 floors and 650,000 – 900,000 BGSF of new space, plus approximately 10,000 BGSF of renovation and one below-grade basement level.

Firms providing Structural Peer Review Services of any kind for Project NO. M050465 will be precluded from providing engineering services in this RFQ.

The firm selected in this RFQ will provide Structural Engineering services and serve as Structural Engineer of Record throughout the duration of the project, from August 2020 – Q4 2027. The selected firm will be contracted under McCarthy Building Companies.

Online Informational Prequalification Conference: An optional Online Informational Prequalification Conference will be conducted on Wednesday, June 3rd, 2020; beginning promptly at 2:00 PM PST. Participants shall utilize the following online video/conference call information hosted by Bluejeans Software:

https://bluejeans.com/156811616
Meeting ID# 156811616

Prospective Proposers shall allow sufficient time to log into the Bluejeans Software and allow the software to be installed into computers, phones, tablets since the Informational Prequalification Conference will promptly start at 2:00 PM PST. The Bluejeans application can also be downloaded from digital application stores as well as from www.bluejeans.com

Statements of qualifications shall be specifically tailored to this RFQ, responding directly to the screening criteria (See RFQ document and RFQ Attachments available on the above link). After Qualification Statements are received, a Screening Committee will review, conduct reference checks and the 3 proposers receiving the highest scores will be invited to participate in either a Level 2 interview or a Level 2 technical written responses. From the Level 2 interview/technical written process, the most qualified proposer will be selected.

Statements of qualifications and Responses to Screening Criteria must be submitted electronically to an upload link noted within the RFQ package. No hard copies will be accepted.

**Starting on Friday May 29, 2020, Firms interested in responding to this RFQ must request a downloadable link to the RFQ package from Arturo Marin at amarin@mccarthy.com by June 15, 2020.**

Questions regarding the RFQ Package may be addressed via email only to Kevin Lew, Preconstruction Director, at klew@mccarthy.com Statements of Qualifications will not be accepted after the date and time stipulated above.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each firm may be required to show evidence of its equal employment opportunity policy. The successful firm and their subconsultants will be required to follow the nondiscrimination requirements set forth in the Agreement documents and to pay prevailing wages at the location of the work. The work described in the Agreement is a public work subject to section 1771 of the California Labor Code.

Consultant/Design Professional shall pay all persons providing services and/or any labor on site, including any University location, no less than UC Fair Wage (defined as $15 per hour as of 10/01/2017) and shall comply with all applicable federal, state and local working condition requirements.

MAY 2020
