 - Advances educational mission by applying creative innovation
 - Exemplifies transformative leadership in education
- **Research**
 - Makes high-impact discoveries
 - Guides innovative research program(s)
 - Exemplifies and emphasizes collaboration, team-based approach
 - Dedication to being an outstanding research mentor
 - Advances research mission by applying creative innovation
 - Exemplifies transformative leadership in research
- **Clinical Care**
 - Provides high-quality patient-oriented services
 - Offers consistent, culturally competent, compassionate care to all patients
 - Optimizes clinical services through academic environment and research
 - Delivers patient-oriented services that respond to the compelling needs of our community
 - Advances clinical care mission by applying creative innovation
 - Exemplifies transformative leadership in clinical care
- **Community Engagement**
 - Enhances the quality of life of our local and regional communities
 - Participates in community organizations and volunteerism
 - Enhances relations with community partners by encouraging involvement and support of UC Davis Health programs
 - Promote community health through advocacy and impact on health-care public policy
 - Advances community engagement mission by applying creative innovation
 - Exemplifies transformative leadership in community engagement

Eligibility

All UC Davis School of Medicine, Academic Senate and Academic Federation faculty are eligible to be nominated for the Dean's Award for Excellence. Anyone can submit a

nomination. Up to four awards will be presented for excellence one in each of the following areas: Education/Teaching, Research, Clinical Care and Community Engagement.

Nomination Procedures and Guidelines

A nomination consists of completion of an online form that describes the candidate's outstanding performance activities.

The nomination form can be accessed on the following website:
