**New Faculty Workshop – Tools  
for Success**

This workshop will help new faculty identify the skills needed for their continued academic success and provide them with the resources needed to support their work at UC Davis Health. New faculty will receive vital information in the areas of teaching, research, professional development, mentoring and retirement planning.

Participants will get the opportunity to:

- Meet UC Davis Health Leaders
- Learn about our Faculty and Professional Development offerings
- Get information on the Merits and Promotions system
- Learn about required disclosures for Outside Professional Activities, Conflict of Commitment and Conflict of Interest
- Get educated on your retirement options
- And more....

New faculty will also get to hear from UC Davis Health leadership about their vision for UC Davis Health and the role they will play in supporting the organization.

All new faculty are encouraged to attend.
