RECIPIENTS OF FEDERAL TITLE VII FUNDING
Scholarships for Disadvantaged Students
HEALTH RESOURCES & SERVICES ADMINISTRATION (HRSA), U.S. DEPARTMENT OF HEALTH & HUMAN SERVICES (DHHS)

Award Acknowledgement - As a recipient of Title VII HRSA funds, I hereby acknowledge my understanding of the terms, conditions and requirements of these federal funds.

☐ During enrollment I am required to maintain satisfactory academic progress. If I do not meet the standards of satisfactory academic progress at any time during an academic year in which I have been awarded Title VII funds, I understand that federal regulations require that these funds be canceled and may be replaced with other types of funding for which I am eligible. __________ (initials)

☐ I understand I am required to apply for a National Provider Identifier (NPI). I will provide the NPI number and the employment information to the School of Nursing. I will keep my NPI employment information up to date for 6 years after graduation. I will be forthcoming when asked to provide such information. __________ (initials)

Nursing Practice Plans
☐ I DO DO NOT (circle one) intend to serve in a medically underserved community. Over →
☐ I DO DO NOT (circle one) intend to practice in a primary care field. Over →
☐ I DO DO NOT (circle one) intend to serve in a rural area. Over →

Have you received training in any pipeline programs (e.g., Post-Baccalaureate Program, Summer Academy, Saturday Academy, Health Professions Academy, Area Health Education Center (AHEC), Center of Excellence (COE), Health Careers Opportunity Program, Nursing Workforce Diversity, etc.)? Over →

☐ YES
☐ NO
☐ NOT SURE / PREFER NOT TO ANSWER
If yes, please name the program and years you received training: ____________________________________________

**Definition of Medically Underserved Community**

Medically underserved communities are designated as having shortages of *primary medical care, dental or mental health providers and may be geographic (a county or service area), demographic (low-income population) or institutional (comprehensive health center, federally qualified health center or other public facility).* Medically underserved communities are areas or populations designate as having: too few primary care providers, high infant mortality, high poverty and/or high elderly populations.

The term “Medically-Underserved Community” means an urban or rural area or population that:

(A) is eligible for designation under Section 332 of the PHS Act as a health professional shortage area (HPSA);

(B) is eligible to be served by a migrant health center under Section 329 [now 330(g)] of the PHS Act, a community health center under Section 330 of the PHS Act, a grantee under Section 330(h) of the PHS Act (relating to homeless individuals), or a grantee under Section 340A [now 330(i)] of the PHS Act (relating to residents of public housing);

(C) has a shortage of personal health services, as determined under criteria issued by the Secretary under Section 1861(aa)(2) of the Social Security Act (relating to rural health clinics); or

(D) is designated by a state governor (in consultation with the medical community) as a shortage area or medically underserved community.
