Human Genomics, Genomic Medicine and genetic/genomic research is a rapidly evolving field. Education, research and clinical activity growing in this area has been identified as a priority for UC Davis by the Vice Dean of the School of Medicine and the Deans of other colleges, including Veterinary Medicine and Biological Sciences, and OVCR Dr. Harris Lewin.

EDUCATIONAL OBJECTIVES

• Identify the rapidly evolving field of human genomics in general
• Analyze the new research and technologies applied at UC Davis
• Organize collaborative partnerships and learning opportunities
• Synthesize efforts for clinical practice and translational research in Genomic Medicine

Co-Chairs
Frederick J. Meyers, MD, MACP
Vice Dean School of Medicine
Katherine A. Rauen, MD, PhD
Professor, Department of Pediatrics,
Chief, Division of Genomic Medicine,
UC Davis MIND Institute

Keynote Speakers
Neil Risch, PhD
Director, Institute for Human Genetics, UC San Francisco
Dr. Risch is also the Lead Co-Investigator of the Research Program on Genes, Environment and Health, and Adjunct Investigator of the Kaiser Permanente Division of Research. Dr. Risch will discuss his latest research.

Andrew B. Hargadon
Professor of Technology Management
UC Davis Graduate School of Management
Dr. Hargadon will explore the power of uncertainty, commitment and networks in the innovation process as well as the broader implications for innovation. He will bring to life the misrepresented histories of scientific discovery to inspire those in the new frontier of human genomics.

CME CREDIT

Accreditation
The University of California, Davis, Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

PHYSICIAN CREDIT: The University of California, Davis, Health System designates this live activity for a maximum of 5.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AMA PRA Category 1 Credit™ acceptable for multidisciplinary team members

NURSE: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credits™ issued by organizations accredited by the ACCME. For the purpose of relicensure, the California Board of Registered Nursing accepts AMA PRA Category 1 Credits™.

PHARMACIST: The California Board of Pharmacy accepts coursework which meets the standard of relevance to pharmacy practice and has been approved for AMA PRA Category 1 Credits™

PHYSICIAN ASSISTANT: The National Commission on Certification of Physician Assistants (NCCPA) states that AMA PRA Category 1 Credits™ are acceptable for continuing medical education requirements for recertification.

VETERINARIANS: DVM in California are authorized by the California Veterinary Medicine Board to claim AMA PRA Category 1 Credits™ from CME providers accredited by the ACCME.

Friday, November 14, 2014
10:00 a.m. – 4:00 p.m.
