The Sacramento campus of UC Davis
The Sacramento campus of UC Davis is home to the region’s only academic health center, UC Davis Health. We’re honored to help advance health here in our region and beyond through excellent clinical care, groundbreaking research, innovative interprofessional education and dynamic community partnerships.

Our health system includes one of the country’s best medical schools, UC Davis School of Medicine; the innovative Betty Irene Moore School of Nursing; a nationally ranked teaching hospital, UC Davis Medical Center; and the UC Davis Medical Group physician’s practice, offering primary and specialty care. The National Cancer Institute-designated UC Davis Comprehensive Cancer Center; the internationally renowned UC Davis MIND Institute; a hub for stem cell research, the Institute for Regenerative Cures; and the nationally ranked UC Davis Children’s Hospital also are based on the campus. Other nationally prominent centers focus on advancing telemedicine, improving vascular care, eliminating health disparities and translating research into new treatments.

All together, we’re proud to offer a regionally unique level of comprehensive, state-of-the-art health care, research and education. For more information, visit health.ucdavis.edu.
