- Hospice Human Services Department wins Friend’s of Nursing Award. The camaraderie among the nurses, social workers and chaplain can be seen on a daily basis. The staff are often seen conversing with one another at the start of the day about their patients and the care that they are providing. They will do joint visits to a patient’s home for multiple reasons, and again, shows the support that they provide to one another. Each discipline is invaluable to the Hospice program, but together it is a shared experience and one that each discipline benefits from the experience of another discipline. The members of the team are Michael O’Connor, Chaplain; Vanessa Brown, LCSW; Donald Lewis, LCSW (pictured); Kathy Marty, LCSW; Susan Wilson, LCSW; Becky Long, MSW (pictured); Tiffany Pulsipher, MSW.
