Providing companionship, comfort and care to patients and their families

**Mission**

Our mission is to provide exemplary care that supports the diverse physical, emotional, spiritual and cultural needs of our patients and their families.

**Referrals**

We accept patient referrals by EMR, phone or fax. To refer a patient to UC Davis Hospice, please call 916-734-2458 or 800-268-9232 Monday through Friday, 8:00 a.m. to 5:00 p.m. or fax 916-454-1903. When calling after hours, ask to speak with the home care nurse who is on call.

**We Honor Veterans Program**

It surprises many Americans to learn that 25 percent of all deaths in the US are Veterans. That’s 1,800 people a day; more than 680,000 Veteran deaths every year. As the nation honors these American heroes for their military service on Veterans Day, November 11, it’s important to remember that they also deserve recognition and compassionate care at the end of life’s journey.

America’s Veterans have done everything asked of them in their mission to serve our country and we believe it is never too late to give them a hero’s welcome home. Now it is time that we step up, acquire the necessary skills and fulfill our mission to serve these men and women with the dignity they deserve.

UC Davis hospice is proud to be a part of We Honor Veterans—a program of the National Hospice and Palliative Care Organization in collaboration with the Department of Veterans Affairs which recognizes the unique needs of veterans and their families.
