

Note: This section must be completed by the **Principal Investigator**. Please read carefully.

Check **one** of the following that applies:

I will be operating the MRI scanner for this research study. Complete Section # 1.

I will not be operating the MRI scanner for this research study. Complete Section # 2.

Check **one** of the following that applies:

I will be scanning Non-Human Primates (NHP). Complete Section # 3.

I will not be scanning Non-Human Primates (NHP).

Section # 1 (Note this applies to the PI not RA, Post Doc, Lab Manager, etc.)

If you will be operating the MRI scanner for this study you must be current with your MRI safety certification. Please check one of the following:

I am currently certified and my MRI safety certification expires on _____
Date

I am not currently MRI safety certified. Please email Jerry Sonico to schedule MRI Safety certification at gjsonico@ucdavis.edu.

Section # 2 (Note this applies to the PI not RA, Post Doc, Lab Manager, etc.)

I will not be operating the MRI scanner but I will be the PI monitoring this study. My MRI Safety certification expires on _____
Date

If you have **not completed MRI safety certification** below is the link. Follow the instructions to complete the online MRI safety training. To get the user name and password email Jerry Sonico at gjsonico@ucdavis.edu. This must be completed for PIF approval.
