

UC Davis Sacramento Campus After-Hours Construction

Project Name	Project Location	Work Date	Time Frame	Work Being Conducted	Important Project Notes
48X Complex	X and 48th Streets	9/9/24 - 9/27/24	2:30 p.m. - 12:30 a.m.	Closure of the exterior wall in the northern part of building.	Work to be completed on exteriors in the open bay after the manlift comes down. To minimize impacts, backup alarms on the boom lifts will be disconnected and spotters utilized. When possible, louder activities will be done in the earlier part of the swing shift (3pm – 7 pm).
