<td>California Tower</td>
<td>X and 45th Streets</td>
<td>7/8/24 - 7/13/24</td>
<td>6 a.m. - 6 p.m. 6:00 a.m. Equipment Set Up 6:30 a.m. Work Start</td>
<td>Concreate and beam placement</td>
<td>Concrete is a temperature sensitive material, and higher temperatures affect its workability and quality. Due to higher temperatures, concrete pours will be conducted early for quality control and worker safety. Physical barriers will be used to help mitigate noise impacts.</td>
