

Help Waste Find Its Place

**Size Matters!
Avoid Overfilling
Waste Bins
Know Where It
Goes!**

**Help us make
sure that waste
finds its place!**

Empty waste bins when they reach capacity (identified by the fill line on the container or when approximately 3/4 full). Contact EVS/Hospitality if bins regularly reach capacity prior to disposal.

Work with EVS/Hospitality to adjust waste bin sizes if overfilling occurs regularly.

Identify peak waste generation periods and ensure the waste bin can accommodate these spikes.

Contact EH&S before you implement any process change related to this information
