SumTotal Next

Complete training modules on your mobile device

1. Download the SumTotal Next app.
2. Enter the mobile site URL: <https://uc.sumtotal.host/core>.
3. Select UCD (second-to-last option).
4. Sign-in with your UCD Login (Kerberos).
5. Create a 4-digit pin for offline access.
6. Search for a course to begin. You can complete the course online or download for offline access. If you complete an activity offline, access the app online to sync the progress data back to the UC Learning Center.

The **SumTotal Next** app has been redesigned to provide a more intuitive interface and replaces the legacy SumTotal Mobile app.

Please be aware that not all courses are compatible with the mobile app.
