For any new or worsening symptoms, employee must isolate from work and repeat COVID Test. N95 (Day 3) N95 (Day 4) N95 (Day 5) N95 (Day 6-10)

SYMPTOMS (NO KNOWN EXPOSURE)

DAY FROM SYMPTOM ONSET:

DAY 0 FIRST DAY OF SYMPTOMS	DAY 1	DAY 2	DAY 3	DAY 4	DAY 5	DAY 6-10	DAY 11

COVID TEST ASAP: Employees with COVID symptoms should ISOLATE from work pending testing. If neg AND meeting UCD sick policy criteria, ok to return to work on site. DO NOT COME TO WORK. *If neg, continue this workflow.**

COVID Test 48 hrs after first test. If neg AND meeting UCD sick policy criteria, employee is CLEARED to work on site.*

For any new or worsening symptoms, employee must isolate from work and repeat COVID Test.

Per cough and cover protocol, employees with upper respiratory symptoms must mask at all times when on site until all symptoms have resolved.

COVID POSITIVE

DAY FROM SYMPTOM ONSET/POS TEST:

DAY 0 FIRST DAY OF SYMPTOMS OR POS TEST DATE IF ASYMPTOMATIC	DAY 1-4	DAY 5	DAY 6-10	DAY 11

COVID+ employees are REQUIRED to isolate from work, report their pos test to EHS ASAP, & follow the current return work guidelines. DO NOT COME TO WORK.

DO NOT COME TO WORK (Day 1-4)

COVID Antigen test: If neg AND meeting return to work criteria (improving symptoms & fever free for 24 hours without the use of fever reducing medications), cleared to work on site. Must wear well-fitted mask through day 10. If pos, **NOT** cleared to return to work. N95

May cont to antigen test daily until neg. Once neg & meeting return to work criteria, cleared to work on site with well fitted mask. N95 (Day 6-10)

Employees who did not test neg are cleared to return to work provided they are meeting the return to work criteria (Day 11)

For immunocompromised individuals, please contact EHS for return to work guidelines.

***If employees test positive at any point, move to COVID Positive workflow.*
