

**ANNOUNCEMENT TO PREQUALIFIED PROPOSERS**

Subject to conditions prescribed by the University of California, UC Davis Health, sealed proposals for a design-build contract are invited from prequalified proposers for the following work:

**PROJECT NO. 9558190**  
**DAVIS TOWER 1835H AND 1835I X-RAY**

**Description of Work:** The project is located at University of California Davis, Sacramento Campus, Davis Tower. The existing diagnostic imaging equipment in rooms 1835H and 1835I will be removed and replaced with new diagnostic imaging equipment provided by Philips Medical Systems. Work is to occur in two phases, with sequencing to be determined in collaboration with the user group during design validation. Additional work in these rooms will include upgrade of finishes, lighting, casework/furniture system, plumbing, HVAC, and medical gas. There will be an associated renovation of the control area in each room to accommodate the new equipment. Other work includes equipment anchorage to the floor and rerouting of electrical utilities below the floor as required to support the imaging equipment requirements.

**Procedures:** Proposal documents will be available on **January 23, 2026**, and will be issued only at:
