### **ADDENDUM 1**

#### **RFQ FOR 9557460 – UCDH OPERATING ROOMS MODERNICATION INFECTION CONTROL AND RISK ASSESSMENT SERVICES**

This Addendum is part of RFQ Documents for the subject project issued May 2025. The following changes shall be made to the RFQ documents. All other conditions shall remain the same.

REVISE the following items on the Consultant Statement of Qualifications as follows:

- 1) Project Experience (Page 2): List five (5) major project with the past five (5) years of experience that indicates your experience (List most recent first)
- 2.) RFI Response to the follow question: The RFQ requests a minimum of three (3) References within the company for our proposed main point of contact. Would you mind clarifying what this is requesting? Are we to include references from employees inside our organization or from individuals outside the organization about our main point of contact?  
Answer: The references for the people you are proposing (from your team) should be from the outside of your organization.
