

## **ADVERTISEMENT FOR SUBCONTRACTOR QUALIFICATIONS AND BID**

### **UC DAVIS HEALTH NORTH/SOUTH WING DEMOLITION**

#### **Bid Package #1 - Demolition and Abatement**

##### **PROJECT NOTICE**

Subject to conditions prescribed by the University of California, Davis Health (University) and Clark Construction Group - California, LP (Clark), sealed qualifications and bids for lump sum contracts are invited from bidders for the Demolition and Abatement Bid Package.

##### **PROJECT DESCRIPTION**

The original North/South hospital wing was built in the 1920's and the structure has now been deemed structurally inadequate by CA AB 2190 and must be prepared for demolition. The North/South hospital wing will be completely vacated in 2023 and will then be decoupled from the East Tower. The project scope includes decoupling the N/S hospital wing from the East Tower (Increment 1), various renovations in the existing East Tower to support the East Tower operations through 2030 (increment 2) and the interior hazardous material abatement and "soft" demolition of the N/S hospital wing (increment 3). Phase 3 covers construction of the project. Phase 3A covers site investigation and documenting of existing conditions to assist in design associated with the work.

Work in this bid package includes **Demolition and Abatement**.

All work included in this bid package will be performed under the authority of and jurisdiction of HCAI Level 01. The North/South Tower Demolition Project has an overall Target Direct Work Cost of \$33M. The anticipated cost of the Phase 3 Construction work for Demolition and Abatement is \$7.5M.

##### **QUALIFICATION REQUIREMENTS**

The University and Clark Construction have determined that Bidders who plan to participate in the bid process for this project must meet qualification standards in order to be deemed a responsible, responsive Bidder.

**QUALIFICATION / BID PROCEDURES**

Bid documents will be issued through an electronic system called BuildingConnected on February 13, 2023, accessible through the following link:

<https://app.buildingconnected.com/public/5579ca47675b720a008b2c5a>

**Please select: "UC Davis Health NS Tower - Early Site Investigations - M011895"**

If you do not have access to the project via Building Connected please contact, Rachel Browne, [rachel.browne@clarkconstruction.com](mailto:rachel.browne@clarkconstruction.com). If you have any questions regarding Building Connected please contact Rachel Browne.

Subject line of the email should state "UCD North/South Demo Project – Building Connected Question". Failure to do this could result in delayed response.

**Any requests for information (RFI) regarding the Bid must be received in Building Connected before 02/21/22023 @ 2:00PM PST.**

Bids must be received using Building Connected **on or before 03/02/2023 @ 2:00PM PST.**

**QUALIFICATION / BID SCHEDULE**

Request for Bid Issued	02/13/2023	
RFI Questions Due	02/21/2023	(2:00 PM via Building Connected)
Final Addendum Issuance	02/24/2023	
Bid Responses Due	03/02/2023	(2:00 PM via Building Connected)
Bid Opening	03/02/2023	(Virtual Bid Opening - Call-in information to be provided)
Notification of Award (Tentative)	03/08/2023	

**LICENSE REQUIREMENTS**

The successful Bidder will be required to have the appropriate current and active license(s) issued by the State of California Contractors State License Board for the Work to be performed. The State of California Business and Professions Code, Division 3, Chapter 9, known as the "Contractor's License Law," establishes licensing requirements for contractors. Appropriate current and active license(s) classification may include, but are not limited to, B and C classifications.

## **OTHER INFORMATION**

Prior to the Bid Deadline and after bid opening, Clark may establish a new Bid Deadline no earlier than 24 hours from the prior Bid Deadline, if no material changes are made to the bid documents, and no earlier than 72 hours if material changes are made. In such event Clark will, at a minimum, notify all persons or entities known by Clark to have received a complete set of Bid Documents and who has provided an electronic email address for receipt of any written pre-bid communications.

Project will be insured under a University Controlled Insurance Program ("UCIP") providing workers' compensation and employer's liability insurance coverage, commercial general liability insurance coverage, and excess liability insurance coverage for Work performed on or at the Project site ("UCIP Coverages"). All insurance policies required to be obtained by successful Bidder shall be subject to approval by University for form and substance. All such policies shall be issued by a company rated by Best as A- or better with a financial classification of VIII or better, or have equivalent rating by Standard and Poor's or Moody's.

All insurance policies required to be obtained by Bidder shall be subject to approval by Clark Construction and the University for form and substance. All such policies shall be issued by a company rated by Best as A- or better with a financial classification of VIII or better, or have equivalent rating by Standard and Poor's or Moody's.

The successful bidder and its sub-tier subcontractors will be required to follow the nondiscrimination requirements set forth in the Bid documents and to pay prevailing wage rates at the location of the work.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each Bidder may be required to show evidence of its equal employment opportunity policy. The successful Bidder and its subcontractors will be required to follow the nondiscrimination requirements set forth in the Bid documents and to pay prevailing wage at the location of the work.

The work described in the contract is a public work subject to section 1771 of the California Labor Code. No contractor or subcontractor, regardless of tier, may be listed on a Bid for, or engage in the performance of any portion of this project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 and 1771.1.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
