

MATERIALS TESTING AND SPECIAL INSPECTION AND GEOTECHNICAL ENGINEERING SERVICES

UC Davis Health in Sacramento, California requests Statements of Qualifications on or before 4 p.m. Monday, July 15, 2024, from qualified firms interested in providing Materials Testing and Special Inspection and Geotechnical Engineering Services for projects described on this advertisement. This selection process will create a pool of up to three (3) Materials Testing and Inspections/Geotechnical Engineering firms to assist the Facilities Planning & Development department with Materials Testing and Special inspections on construction projects at UC Davis Health in Sacramento.

Projects may be located in hospital facilities under the jurisdiction of OSHPD, research laboratories, educational facilities, and administrative support offices at the Sacramento campus. Fees for individual projects will be negotiated based on specific project requirements. The selected firms will be expected to sign a blanket Professional Services Agreement that will include hourly rates and standard testing procedures pricing for provision of all services. The decision to use any of the selected firms on any individual project will be at the sole discretion of the University.

The expected duration of the Professional Services Agreement for these services will be three (3) years from the time of contract award. Anticipated fees will be dependent on specific projects authorized, with a maximum limit of \$3,000,000 to each selected firm over the course of the agreement.

Qualification documents with additional information for interested firms will be available starting Tuesday, June 18, 2024, and can be downloaded directly from our website at: https://health.ucdavis.edu/facilities/work-with-us/consultants/rfg

Statements of qualifications shall be specifically tailored to this RFQ, responding directly to the screening criteria (See RFQ document and Consultant Qualification form available on the above link). After Qualification Statements are received, a Screening Committee will review, conduct reference checks and recommend a short list of firms for interviews. A Selection Committee will conduct the discussions prior to selecting the successful firm.

Statements of qualifications must be submitted electronically no later than **4 p.m. Monday**, **July 15**, **2024**, to the link to be provided by UC Davis Health. No hard copies will be accepted. Firms interested in responding to this RFQ must notify by Friday, July 12, 2024 to be provided a link to upload their Qualifications package.

The upcoming construction projects that will need special testing from the selected firms include the following:

No.	Project Title	Estimated
		ROM Cost
1	SESP 1P746 Reconfigure Space for New CT Scanners	\$ 2,800,000
2	SESP 1P742 1P746 CT Scanner Replacement	\$ 3,300,000
3	MAIN HOSP 1625 Imaging Suite Remodel	\$ 12,000,000
4	SESP 1752 – 1758 X-Ray Replacement	\$ 1,900,000
5	DT 1st Floor Nuclear Medicine Remodel	\$ 9,300,000
6	SESP 2P340 Add Lab Instruments	\$ 3,400,000
7	CENT PLNT 1st FLR PO&M Emissions UREA	\$ 3,540,000
8	SESP CPU Water Upgrade	\$ 5,000,000
9	DT10 PICU Ceiling Tile & Boom Replacement	\$ 3,000,000
10	Campus Parking Temp Lots	\$ 700,000
11	Rad Onc Reconfiguration	\$ 7,500,000
12	DT 1925 RAD CVCT Replacement	\$ 1,145,000
13	Davis Tower Mobile CT Scanner Pad Installation	\$ 1,400,000

Questions and requests for the link to upload statements may be addressed via email only to Leila Couceiro, FD&C Contracts Manager, at lccouceiro@ucdavis.edu. Statements of Qualifications will not be accepted after the date and time stipulated above.

Every effort will be made to ensure that all persons have equal access to contracts and other business opportunities with the University within the limits imposed by law or University policy. Each firm may be required to show evidence of its equal employment opportunity policy. The successful firm and their subconsultants will be required to follow the nondiscrimination requirements set forth in the Agreement documents and to pay prevailing wages at the location of the work. The work described in the Agreement is a public work subject to section 1771 of the California Labor Code.

Consultant/Design Professional shall pay all persons providing services and/or any labor on site, including any University location, no less than UC Fair Wage (defined as \$15 per hour as of 10/01/2017) and shall comply with all applicable federal, state and local working condition requirements.

THE REGENTS OF THE UNIVERSITY OF CALIFORNIA
