

ADDENDUM No. 8

June 12, 2025

I. General

The following changes, additions, or deletions shall be made to the listed documents as indicated, and all other conditions shall remain the same.

II. Revisions to the Request for Qualifications / Proposals Documents

This addendum is issued to inform all prospective bidders that the bidding method for this package is being revised from a Not-to-Exceed with Fixed MBC Value to a Lump Sum to be proposed by each contractor. To accommodate this change, several RFQP documents, including the RFQP itself and the Bid Form, will be updated.

Please note the following:

- The Proposal Deadline has been extended to June 30, 2025, at 2 p.m. to allow adequate time for bidders to review and revise their proposals.
- Revised RFQP documents will be issued under a forthcoming addendum reflecting the new bidding method.
- All other requirements and instructions remain unchanged unless otherwise noted.
