

## Be a HME Clinic Champion!

### Health Management and Education (HME)

Health Management and Education offers FREE health education classes for UC Davis Health patients and staff. Topics include:

- Diabetes
- Hypertension
- Heart health
- Tobacco
- Stress management
- Pain management
- & more!

### Purpose of Clinic Champions

- We need YOUR help to improve patient outcomes by engaging your colleagues and patients to utilize HME resources.

### Characteristics of a Clinic Champion

- Enthusiasm for health education
- Good communication and interpersonal skills

### Role and Responsibilities

- Promote HME classes and services within the clinic
- Train staff on how to place orders for HME classes and services
- Order and receive clinic supplies from HME and update in clinic
- Serve as a point of contact to the HME program
- Support improving HME resources and referrals in your clinic
- Quarterly Clinic Champion meetings

### Benefits for You

- Leadership experience
- Ongoing educational opportunities
- Connect with Champions from other clinics
- Recognition and support from HME
