Propio ONE On-Demand Interpreting

Connect to an Interpreter

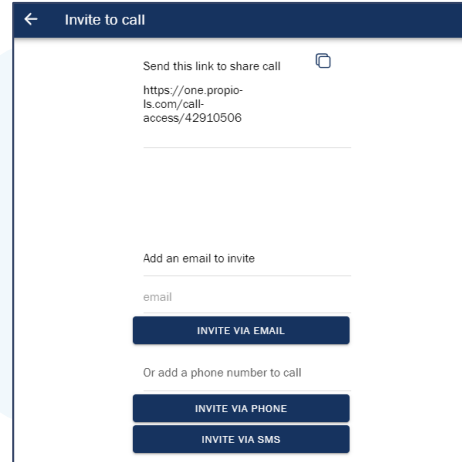

- 1 Select the Propio ONE application icon.
- 2 Locate the language on the list or use the search bar, then select the  button to initiate the call.
- 3 A screen will appear while you are being connected with an interpreter.

Propio ONE On-Demand Interpreting

Include additional participants to your session:

- Select  or  to expand the menu
- **To invite via email:** Enter the recipient's email address, click the 'Invite via Email' option.
- **To invite via SMS:** Enter the recipient's phone number, no dashes, then click the 'Invite via SMS' option.
- The recipients will receive a text message with a one-time link for the video meeting. They **DO NOT** have to download the app.

Propio ONE On-Demand Interpreting

Screen Control Functions

-  Connect to a Propio ONE interpreter
-  Add a 3rd party
-  Turn video off/on for privacy
-  Audio is muted to restrict interpreter's ability to hear
-  Indicates current bandwidth connection and video quality

Helpful Tips

1. Keep the iPad plugged in and ready when not in use.
2. Check WiFi connection and strength before each session.
3. Navigate to app 'Settings' by selecting the gear icon on the lower left menu of the iPad screen to test speaker and microphone.
