

Invite a Guest Into a Video Visit, Including Vendor Interpreters

Use the **Invite Guest** activity to invite a third party into a video visit, including vendor interpreters if Propio interpreters are not available. Contact Medical Interpreting Services at 916-734-2321 or MISdispatch@health.ucdavis.edu for more information about inviting vendor interpreters.

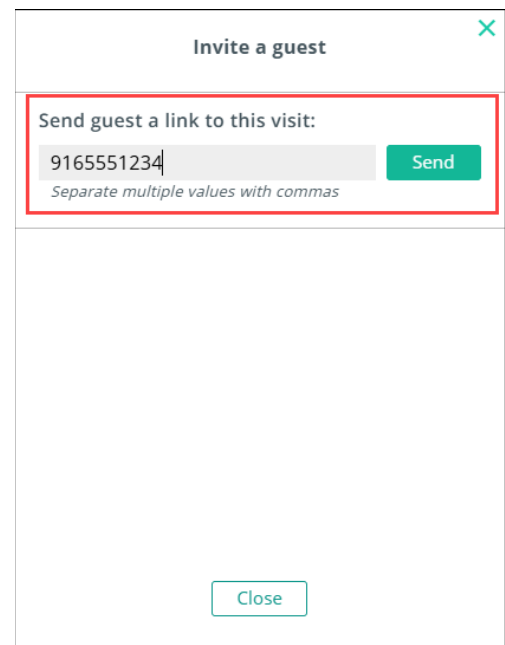

1. Click or tap the **More Activities** button, 
2. Click or tap **Invite Guest(s)**

More Activities>Invite Guest(s)

3. The **Invite a guest** window opens. Type the guest's text number OR email address, and then click or tap **Send**.

The recipient receives a text message or email that includes a link to join the video visit. They simply tap the link, and then the video visit launches and joins them with the video visit.
