

**ANNEX 2 – PERSONAL INFORMATION COLLECTED AUTOMATICALLY**

<b>Category of Personal Data</b>	<b>How We May Use It</b>	<b>Legal Basis for the Processing</b>
<p><b>Approximate location information.</b> Other than information you choose to provide to us, we do not collect information about your precise location. Your device’s IP address may however help us determine an approximate location.</p>	<p>We use information you provide to us about your location to monitor and detect fraud or suspicious activity in relation to your account.</p>	<p>The processing is necessary for our legitimate interests, namely to protect our business and your account from fraud and other illegal activities.</p>
	<p>We use this information to tailor how the Service is displayed to you (such as the language in which it is provided to you).</p>	<p>We will only process your personal data in this way to the extent you have given us your consent to do so.</p>
<p><b>Information about how you access and use the Service.</b> For example, how frequently you access the Service, the time you access the Service and how long you use it for, the approximate location that you access the Service from, the site from which you came and the site to which you are going when you leave our website, the website pages you visit, the links you click, whether you open emails or click the links contained in emails, whether you access the Service from multiple devices, and other actions you take on the Service.</p>	<p>We may use information about how you use and connect to the Service to present the Service to you on your device.</p>	<p>The processing is necessary for the performance of a contract with you, namely our TOS.</p>
	<p>We may use this information to determine products and services that may be of interest to you for marketing purposes.</p>	<p>We will only process your personal data in this way to the extent you have given us your consent to do so.</p>
	<p>We may use this information to monitor and improve the Service and business, resolve issues and to inform the development of new products and services.</p>	<p>We will only process your personal data in this way to the extent you have given us your consent to do so.</p>
<p><b>Log files and information about your device.</b> We also collect information about the tablet, smartphone or other electronic device you use to connect to the Service. This information can include details about the type of device, unique device identifying numbers, operating systems, browsers and applications connected to the Service through the device, your mobile network, your IP address and your device’s telephone number (if it has one).</p>	<p>We may use information about how you use and connect to the Service to present the Service to you on your device.</p>	<p>The processing is necessary for the performance of a contract with you, namely our TOS.</p>
	<p>We may use this information to monitor and improve the Service and business, resolve issues and to inform the development of new products and services.</p>	<p>We will only process your personal data in this way to the extent you have given us your consent to do so.</p>
