

## After-hours Care

The best place to receive your care is with your UC Davis Health primary care physician or specialist. Many UC Davis Health clinics do provide same day appointments. If your doctor cannot see you for a same day appointment, you will need a referral to receive services at an urgent-care facility. Failure to obtain authorization could result in an out-of-pocket expense.

Below are the urgent care centers that UC Davis Health partners with.

### UCD HNT Medi-Cal Members please note the approved Medi-Cal sites.
