

# Help Waste Find Its Place

## Red Bin Item

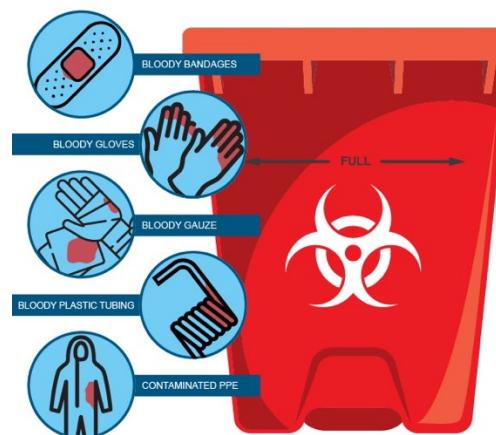

Know Where It  
Goes!

**Help us make  
sure that waste  
finds its place!**

These items go in the red bin/red bag to be disposed of as biohazardous waste:

- Bloody gloves
- Bloody bandages
- Bloody plastic tubing
- Bloody gauze
- OPIM
- Contaminated PPE

Contact EH&S if you need larger or smaller bins or bags, or before you implement any process change. Remind your colleagues about this change too!
