By signing the fit test form, I document that I have read the information and instructions in this package and contact my supervisor if I have any questions. I understand that I am responsible for the following:

1. Knowing where to obtain a respirator and the model and size you were fitted during this fit test.
2. Using the respirator whenever there is a possibility that I might be exposed to an infectious air contaminant.
3. Proficiently donning, doffing, and verifying the respirator's seal when applicable, as I was trained.
