

UC Davis Coccidioidomycosis Serology Laboratory

Access Request Form - CoccyLab Web-Based Result Reporting

We are pleased to offer ordering physicians the option to obtain direct, web-based access for preliminary and final diagnostic result retrieval. If you are interested in using this feature, please complete this form providing all information requested below and email to coccyserologylab@ucdavis.edu or fax to **(530) 752-6813**. The system is accessible via the following link: <https://coccyLab.ucdmc.ucdavis.edu/>

Provider Name	
Preferred User Name	
Provider NPI	
Phone Number	
Fax Number	
E-mail address	
Practice Name and Address (If applicable)	

Once this completed form is received and processed, provider(s) will be notified via email with a username and password. If a specific username is not requested or available, one will be assigned.

Important disclaimer: Please note this web-based feature **requires** ordering physician's to provide their **full name** on all submitted requisitions. Routing specimens through reference labs can result in alteration or abbreviation of ordering physician name. See our website at <http://www.ucdmc.ucdavis.edu/medmicro/cocci-lab.html> or <http://goo.gl/ykV91C> for information on direct specimen submission.

Provider Signature: _____ Date: _____

Questions or concerns can be directed to coccyserologylab@ucdavis.edu or (530) 754-5320
