

Agreement Between the School of Medicine’s Research Office and the Principal Investigator Regarding Phased Resumption of Research Activities

In order to conduct research safely, I agree that my staff and research personnel and I will adhere to the following terms:

- (1) The Guidelines for Ramping-Up Research at UC Davis: [Research Ramp-Up](#)
I understand and will operate in accordance with the campus-designated phase of research ramp-up as described in the guidelines.
- (2) Requirements of masking in public spaces including laboratory and research spaces as required by the Campus, County and State guidance ([Guidance](#))
- (3) Social distancing requirements as required by the relevant County Health and Human Services Office.
- (4) Recommended disinfection and cleaning requirements specified by CDC’s: [Cleaning and Disinfecting Your Facility](#).
- (5) I understand and acknowledge that my research staff has access to the proper PPE, sanitizers and disinfectants to comply with Campus, Local and State guidance. [UCD Supply Chain Management site to procure PPE](#).
- (6) I have discussed with my chair/center director the needs (such as scheduling shifts) as appropriate to comply with physical distancing.

I agree to these terms
