

Program description:

Camp MIND will focus on fun!

This camp is geared towards children ages 6 through 13 who are diagnosed with a neurodevelopmental disability. Our campers will engage in a variety of recreational activities and group play. Our objective is to promote friendships, social interaction with new peers, and encourage campers to feel confident about themselves.

This camp will offer group games, craft activities, yoga, music therapy, outside activities, teamwork opportunities, and will encourage communication skills.

Spanish speaking facilitators available for translation support

Session times:

Mon-Fri 9:30 AM to 12:30 PM

**Cost of Program:
