

UC Davis **MIND Institute**  
2825 50th Street  
Sacramento, CA 95817

### **Finding Parking**

There are four parking options for MIND Institute research participants:

- You can park in free patient parking on the north side of the parking lot near the playground (spaces are limited). When you check-in at the Research Clinic Check-in desk you will be given a parking pass that you will need to put on your dashboard.
- You can park on 50th Street for free.
- You can park in the MIND Institute's parking lot (aka Lot 25) which will necessitate you buy a \$6 parking pass from the kiosk inside the bus stop shelter on the north side of the parking lot.
- You can park in the Ellison Ambulatory Care Center (ACC) parking structure (aka Parking Structure 2) which is located on Y Street and has a \$2/hr. rate. Parking Structure 2 is a short walk from the MIND Institute.

### **Checking In**

After entering the building, follow signs for the **Research Clinic**. Please check-in at the Research Clinic reception desk.

---

UC Davis **Imaging Research Center (IRC)**  
4701 X Street  
Sacramento, CA 95817

### **Finding Parking**

We have free patient parking in front of the IRC, although spaces are limited. If all of the free patient parking is taken, visitor parking permits can be purchased for \$6 from a dispensing machine in parking lot #18 on the east side of 48th Street, and you can then park in lot #4 or lot #18. Again, you only will need to purchase a permit if all of the free patient parking near the IRC entrance is taken.

### **Checking In**

There is no need to check-in or sign-in. A researcher should meet you in the IRC foyer, but if you arrive early, just sit and wait in the waiting area by the door.
